

Certificate of Approval

This is to certify that

Inno Steel Co., Ltd.

62, Angok-ro 333beon-gil Hallim-myeon, Gimhae-si,
Gyeongsangnam-do, 50852, Korea

is approved by MAN Energy Solutions for the manufacture and supply of:

Forged Steel Piston Rods
Material: S30MnH
for all engine types, up to 90 Bore

for MAN B&W engines (two-stroke) in accordance with the Terms and Conditions
stated in Appendix A.

issued on 2020-06-02

expires on 2025-06-02

Certificate no.: 2700-2020-762.0

MAN Energy Solutions

Appendix A:

Certificate no.: 2700-2020-762.0

The approval as Vendor is based on the premise that the production and testing facilities, associated procedures and relevant qualifications are found in compliance with:

- Quality Control Ident no. 0743172-1.11 “General Procedure for First-Time Production Approval of Controlled Components”
- Quality Control Ident no. 0743568-8.6 “Forged Steel Piston Rod; First-Time Approval”
- Material Specification Ident no. P175-2 “S30MnH – Forged Carbon-Manganese Steel, Quenched and Tempered”
- Quality Specification Ident no. 0598081-6.13 “Forged Steel Piston Rod”
- Inno Steel Co., Ltd. report: “Results for First-Time Approval Test of MAN ES Forged Piston Rod (Ident no. 0743568-8.6)”, ref.: INS-FTA-01 dated February 2020

And supporting documents:

- Posco certificate: “Mill Test Certificate for S30Mn(HF502) Forging Slab”, ref.: 190820-FS01PN-0006A4-000 dated 7th November 2019
- Korea Testing Engineering Co., Ltd. report: “Report of Ultrasonic Examination”, ref.: KTE-NS-DS-UT-200228-022 dated 28th February 2020
- Korea Testing Engineering Co., Ltd. report: “Report of Magnetic Particle Examination”, ref.: KTE-NS-DS-MT-200228-101 dated 28th February 2020
- Inno Steel Co., Ltd. report: “Work Instruction for Forging”, ref.: INS-QIP-010
- Inno Steel Co., Ltd. report: “Inspection and Test Certificate / Forged-on Test Piece”, ref.: INSC20-B-209 dated 17th March 2020
- Inno Steel Co., Ltd. report: “Rubbing Sheet”, ref.: INSR-20-396 dated 17th March 2020
- Keojin report: “Test Report / Forged-on Test Piece Microstructure Examination”, ref.: TC20-0511-1217-1 dated 12th May 2020

The Certificate of Approval is subject to the following Terms and Conditions:

Certificate no.: 2700-2020-762.0

1. Vendor shall at all times comply with the restrictions stipulated in the Undertaking of Confidentiality signed by Vendor on 2019-11-15
2. The Certificate of Approval (the "Approval") is given on the strict condition that Vendor undertake to indemnify MAN Energy Solutions against any and all claims arising from the Product's actual or alleged infringement of any third party intellectual property rights.
3. For Product's designed by the Vendor, the Approval is given on the strict condition that Vendor undertakes to indemnify MAN Energy Solutions against any and all claims arising from the Product's design.
4. The Approval is given on the basis that the Product conforms with MAN Energy Solutions' drawings and specifications valid at the time of the Approval. MAN Energy Solutions reserves the right to make changes to its drawings and product specifications notwithstanding that such changes may invalidate the Approval.
5. The Approval shall not relieve Vendor from its responsibility always to manufacture the Product in compliance with good manufacturing practice, free from any defect and in strict compliance with any drawings and specifications received from MAN Energy Solutions or its licensees.
6. Changes made to the Product specification by the Vendor must be informed to and accepted by MAN Energy Solutions in writing. Failure by the Vendor to obtain such written acceptance from MAN Energy Solutions may render this Approval invalid.
7. The Approval is given under the strict condition that MAN Energy Solutions has the right to assess periodically the Vendors continued ability to manufacture the Product in accordance with the requirements of MAN Energy Solutions.
8. The Approval does not imply (whether directly or indirectly) that MAN Energy Solutions in any way guarantee the quality of the Product manufactured and supplied by Vendor.
9. The Approval may be withdrawn by MAN Energy Solutions at any time without notice if Vendor should fail to comply with the conditions of this Certificate of Approval, the duly signed Undertaking of Confidentiality and Quality Control 0743172-1 "General Procedure for First-Time Production Approval of Controlled Components" and may otherwise be withdrawn by MAN Energy Solutions at any time by giving six months prior, written notice to the Vendor.
